Both my daughters have attended this **incredible performing arts school** since they were toddlers. Starting off with baby ballet and now performing at a **high standard across dance, singing and acting**. The teachers are **encouraging, warm and fun** to be around and the mixture of exams, shows and festival performances, makes it a family affair too. We couldn't recommend this performing arts school enough.

My daughter started BWA at the age of 6 and does tap ballet interfoundation ballet contemporary and drama and has been there for almost 10 years. She was a very shy quiet child but over the years this all changed with the help of Elizabeth and the other teachers. **She has made loads of friends,** *participated in lots of shows competitions festivals and achieved high grades in her exams*.

She was able to use these skills gained from BWA to apply for a place at The Brit School under the dance strand and managed to secure a **place.** The only saddest thing will be when she has to leave. But for now she is enjoying every moment there. It's is one amazing school.
